

REMARKS

The instant amendment is timely filed pursuant to 37 C.F.R. 1.78(a)(5)(i-ii). Applicant has amended the priority claim to correct a typographical error. Specifically, the last digit of the priority application number was erroneously listed as "2" rather than "1." Applicant respectfully requests issuance of a new filing receipt that correctly identifies the priority application.

The above-identified application was filed on August 27, 2003, and claimed priority to U.S. Provisional Patent Application No. 60/406,592 filed August 28, 2002. A copy of the official filing receipt received December 2, 2003, is attached hereto. The application number of the priority application is incorrectly identified. Issuance of a corrected filing receipt and correction of Office records is solicited.

Applicant believes no additional fees are due at this time. However, should any fees be deemed necessary in connection with the filing of this document, the Commissioner is hereby authorized to deduct any such fees from Marshall, Gerstein and Borun LLP deposit account number 13-2855.

Dated: December 17, 2003
